Licensee recognizes that all or a part of the Software may be copyrighted, trademarked or patented by LibRaw and agrees that any such act shall not cause or be construed as causing the Software or any portion thereof to be in the public domain. Licensee agrees that it will not remove from copies of the Software, or any component thereof, any form of copyright or other proprietary notice appearing on the Software or any component thereof, nor make any representation that Licensee owns any rights to any copyright or proprietary information which is part of the Software.

9. **GENERAL.**

(a) **Independent Contractors.** In performing this License, the Parties act and will act at all times as independent contractors, and nothing contained in this License will be construed or implied to create an agency, partnership or employer and employee relationship between the Parties. Except as expressly set forth in this License, at no time will either Party make commitments or incur any charges or expenses for, or in the name of, the other Party.

(b) **Assignment; Delegation.** Licensee may not assign any of its rights or delegate any of its duties hereunder without the prior written consent of Licensor. Except as permitted by the foregoing, any attempted assignment or delegation will be null, void and of no effect.

(c) **Waiver.** No waiver under this License will be valid or binding unless set forth in writing and duly executed by the Party against whom enforcement of such waiver is sought. Any such waiver will constitute a waiver only with respect to the specific matter described therein and will in no way impair the rights of the Party granting such waiver in any other respect or at any other time. Any delay or forbearance by either Party in exercising any right hereunder will not be deemed a waiver of that right.

(d) **Governing Law.** This License shall be governed and construed in accordance with the laws of the State of Maryland without regard to the conflicts of laws or principles thereof. Any Claim related to this License or between the Parties must be brought exclusively in the Circuit Court sitting in Montgomery County, Maryland or the U.S. District Court for the District of Maryland, and the Parties irrevocably submit and consent to such jurisdiction and venue and waive any right they may have to seek any change of jurisdiction or venue. (f) **Headings; Interpretation.** The headings in this License are inserted merely for the purpose of convenience and will not affect the meaning or interpretation of this License. This License will be construed fairly according to its terms, without regard to the identity of the drafter of any provision in this License.

(g) **Entire Agreement.** This License constitutes the entire agreement and understanding between the Parties as to the subject matter hereof and supersedes all prior discussions between the Parties, and neither Party shall be bound by any conditions, definitions, warranties, understandings or representations with respect to such subject matter other than as expressly provided herein. This License may not be modified or amended or supplemented except in writing executed by the duly authorized representatives of both Parties. If any provision of this License is declared to be invalid or unenforceable, such invalid or unenforceable provision, shall be deemed struck from this License, but only in the jurisdiction in which such provision was declared invalid or

unenforceable, and the enforceability of the remaining provisions of this License shall not in any way be affected or impaired thereby. This License shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns, and shall not confer any rights or remedies upon any Person not a party hereto. The obligations of this Section shall expressly survive the revocation of this or any other related agreement.
