

Let's play together!

POW! POW! Paper Sumo

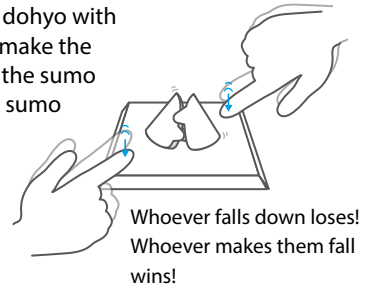

Instructions

1. Cut out the dohyo, and mountain fold along the dotted lines.
2. Cut out the sumo wrestlers, and mountain fold along the dotted lines.

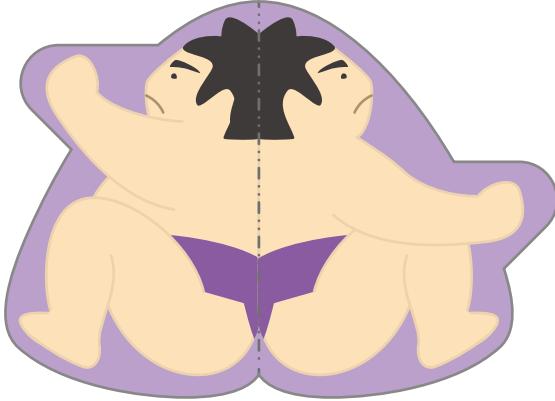

How to play

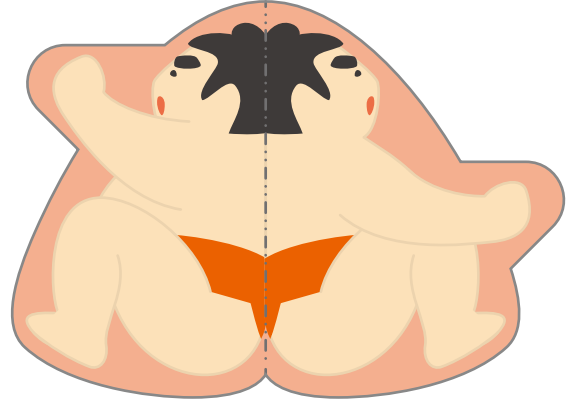

Lightly tap on the dohyo with your fingertips to make the dohyo shake, and the sumo wrestlers will start sumo wrestling.

Tips on how to play

- If the sumo wrestlers fall over too easily, make the folds a little sharper, or start the match with the sumo wrestlers already together.
- If you put the hands of the sumo wrestlers together at the beginning, the movement will be more sumo-like.
